

SPLASH Program

St. Peter Lutheran After School Help

Mission Statement: St. Peter Lutheran After School Help exists to provide quality and safe child care to parents.

Purpose: Our purpose as a part of the total ministry of St. Peter Lutheran Church and School is to serve families of the church, school, and community who desire Christ-centered care for their children.

St. Peter Lutheran After School Help provides parents a place for their St. Peter K-8 students to be cared for in a safe and convenient location. The following guidelines will be followed:

Time: 2:40-5:40pm for all full days of school.

On half days, SPLASH will be provided from 11:05-5:40 in the afternoon.

No SPLASH will be provided on holidays, school days off, or during the summer.

If school is called off (due to weather, etc.) there will be no SPLASH.

Cost: All children will be charged \$5 until 4:00 or \$10 for those being picked-up after 4:00. On half days, SPLASH will be \$5/child until 12:00, \$15/child 4:00 or \$18/child after 4:00. Lunch will not be provided on half days. Children will need to bring a lunch from home.

Note: All children must be picked-up by 5:40. The cost for care after 5:40 is \$5/15 minutes.

Location: SPLASH will take place in the cafeteria but the gym, outdoor playground, and other classrooms may be utilized.

Childcare tax statements will be provided upon request in January.

Discipline problems will be handled according to school policies.

Program Highlights:

1. Students will be able to do homework.
2. Students will be able to play games.
3. There will be special activities planned on different days.
4. Snacks will be provided at a cost or these may be brought from home.

Keep These Things in Mind:

1. Students using SPLASH need to get picked up by an adult. If they are going to a practice while attending SPLASH a letter will have to be sent allowing them to leave when a coach is present.
2. The cost for all children is the same unless you have more than two children. If more three or more children from the same immediate family attend SPLASH, the cost for those children is half price.
