

## **ST. PETER LUTHERAN SCHOOL**

### *Family School Aid Fund*

The *Family School Aid Fund* is used for members and nonmembers who need financial assistance in sending their child(ren) to our school to receive a Christian education. The fund is replenished through donations, memorials, St. Peter Lutheran Church Endowment, and 5% of the annual tuition collected at the school.

In order to be fair and impartial, St. Peter uses *FACTS Grant and Aid Assessment (FACTS)* for our outside evaluation service. Parents are required to pay a fee (currently \$32.00) for the application for their family. Once FACTS has reviewed the application, it is sent back to St. Peter where a committee reviews the suggestions of FACTS. St. Peter will then contact the family on their grant amount. The committee may waive portions of an unpaid account in cases of a temporary or long-range crisis which was not noticed until after the original applications were reviewed.

The grant money will help to pay only for tuition or the book and material fees for children attending Preschool-8<sup>th</sup> Grades of our school. It will not cover Sports Fees, Band Fees, Field Trips or Class Trips, Lunch Costs, and other costs for Special School Activities.

If you would like to apply, please go to our website: [stpeterhemlock.org](http://stpeterhemlock.org). The application is in Forms & Admissions and under Financial Aid. If you have any questions, please contact the school office or Mr. Hagenow.
